OFFICE OF LEGISLATIVE COUNSEL

Monday - 16 March 1964

25X1 1. [] Mr. Cary and Mr. Warner
25X1 met with Senator James O. Eastland and Senator Thomas J. Dodd
25X1 regarding the [] case. See Memo for the Record for details.

25X1 2. [] Talked with Senator Henry M. Jackson
25X1 who introduced me to [], a young man who is interested
25X1 in employment with the CIA. The Senator thought [] had excellent
25X1 qualifications and requested I make the appropriate arrangements. []
25X1 [] in Personnel has been advised and she will contact [] directly
25X1 at []

25X1 3. [] Senator Jackson stated he had been receiving
25X1 considerable mail in connection with the []
25X1 articles on [] I went through the basic story on this situation
and Senator Jackson grasped all of the pertinent points immediately.
He offered to be of any assistance possibly including talking with Senator
Eastland if this were necessary. He volunteered his opinion of Jay
Sourwine's integrity.

25X1 4. [] Talked with Representative Charles E.
Bennett in connection with his letter to the Agency of 9 March 1964. I
explained to him that at the Subcommittee meeting the previous week
we discussed the very questions raised in his letter, i.e., number of
Russian personnel in Cuba and the role played by communists in the
Panama crisis. I reviewed this with him generally. He was most
appreciative and no written reply will be necessary.

25X1 5. [] George Murphy, Joint Committee on
Atomic Energy staff, called to say that he had confirmed with Senator
Pastore the Agency's appearance before the Committee for its annual

25X1 6. [] Talked with Jack White, in the office
of Representative Joel T. Broyhill, and advised him that on the basis
25X1 of our prior meeting, the Inspector General had thoroughly investigated
the claims made by [] that he found no basis for [] 25X1
25X1 claim for overtime pay nor did he find any basis for action on the
25X1 "criminal charges" which [] had made. (See IG memo.) Mr. White
said [] had been in touch with them repeatedly but he was going to
close out the case indicating that Mr. Broyhill had received the substance
of the IG's report and was not in a position to take any further action.

25X1 7. [] Met with Mrs. Janet W. Fraser,
Administrative Assistant to Congressman George A. Goodling (R., Pa.),
and advised her that we were unable to comment on the Congressman's
letter concerning the York newspaper report of the JOURNAL AMERICAN
items. I provided Mrs. Fraser with a copy of the 3 March WASHINGTON
POST item and of Senator Dodd's floor speech of 17 February. Mrs. Fraser
thanked us for the assistance and indicated no written response would be
expected.

25X1 8. [] Met with Mr. John H. Martiny,
Associate Counsel, House Post Office and Civil Service Committee,
who advised that Congressman James H. Morrison had introduced a new
pay bill in the House today that was similar to the bill as amended on the
floor last week with the exception of provision for elected Members of
Congress. Such a bill would obviously require quite a bit of change before
final action could be taken on it.

25X1 9. [] Met with Mr. William P. Gullledge,
Staff Director & Counsel, Senate Post Office and Civil Service Committee,
who advised that there are no present plans for introduction of a pay bill
through the Senate Committee, but that he is aware of our interest and
will advise should such a bill come up for consideration in that Committee.
